

▶ MOVE YOUR BUSINESS FORWARD WITH KICKSTART®

Looking for a software solution supporting your project portfolio process?
Still very attached to your old excel file for your portfolio overview?
Curious to learn how bizztracker can make the difference?
Get started with our Kickstart® service.

Kickstart® delivers a ready-to-use bizztracker environment with your own data in a very short period of time.

KICKSTART® SERVICE

- Gathering the basic settings in a intake meeting / conference call
- Exchanging project data and assessing suitability to use in bizztracker
- Setting up your community (based on your input of financials, strategic objectives and critical resources)
- Entering project data based on your list
- Handing over a ready-to-use bizztracker environment

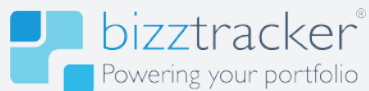

SHORT IMPLEMENTATION

Short time to implement and handover. Limited time investment required from internal staff.

QUICKLY UP TO SPEED

Kickstart® usually takes two to four weeks and allows you to get up and running very quickly.

GET ON THE RIGHT TRACK AND START FOCUSING ON THE RIGHT PROJECTS WITH BIZZTRACKER KICKSTART®

Bizztracker is a software as-a-service solution focusing on strategic planning and project portfolio management.

It helps in understanding your projects and in managing your entire portfolio.

WHY KICKSTART®

- 1 To experience the functionality of bizztracker with own relevant data
- 2 To get up and running with bizztracker in a short timeframe
- 3 To discover the added value in an environment tailored to your specific situation
- 4 To convince your peers with actual reports and insights to adopt bizztracker as a project portfolio management support tool

PRICING

Pricing is based on the number of projects and is VAT excluded.

- | | | |
|------------------|-------|-----|
| ● < 20 projects | 895 | EUR |
| ● < 50 projects | 1.495 | EUR |
| ● < 100 projects | 1.895 | EUR |

If you decide to continue using bizztracker, we reimburse 50% of the fee*.

LIMITED COSTS

Pricing in relation to number of projects. Fee reimbursed for 50% *if after handover, bizztracker is used for more than one year with an minimum average of 30 projects.
